

GLENVILLE LOCAL DEVELOPMENT CORPORATION

2015 Program Outline

- 1. Establish meeting dates and post to the website. Posts dates for board meetings, committee meetings and significant events.**
- 2. Issue press release for the new Board of Directors members. Call for loan candidates.**
- 3. Review the Supervisors' Economic Development agenda and make recommendations and action plans for areas where the GLDC can assist.**
- 4. Establish lines of communication with other town departments and associations to gain earlier knowledge of potential transactions having a relevance to GLDC , i.e.: land & property sales, new construction permits, zoning applications, etc.**
- 5. Assist GBPA with planning for April developer event, identify keynote speaker candidates**
- 6. Begin to actively pursue opportunities for loan participants. Personally visit area banks. Create press announcements. Schedule dates with J Valachovic and C Hebbard. Establish a goal for 2015.**
- 7. Complete all outstanding committee assignments.**
- 8. Complete organizational checklist and Paris training. B. Nissley has agreed to undertake Paris training.**
- 9. Set up a meeting with Metroplex and Town Supervisor to establish a permanent means of communication for the GLDC to learn about potential financing projects being considered.**
- 10. Scotia Glenville Research and Technology Park**
Work with Town Highway Department and SBED Committee to:
 - (a) Include the park in the 2015-6 Comprehensive Plan**
 - (b) Continue to monitor the cleanup effort over several contaminated parcels within the Park. Capitalize on favorable publicity.**

(c) Coordinate with Galesi Group to identify needed infrastructure repairs/improvements

12. Start to develop a website for the LDC. Reserve a domain name; establish a feedback link.
