Microenterprise Grant Program:

Application Updates:

Speckled Hen had begun to collect receipts for reimbursement, however has decided not to pursue the grant opportunity due to the hiring requirements of the program.

The other two applicants are fitness businesses: KLF Fitness and Girl Fight Fitness. KLF Fitness needs an environmental review and to provide training/educational components. Girl Fight Fitness submitted all components to fulfill the program and is awaiting review by D. Theobald.

Other Program Considerations:

S. Osswald requested a marketing sheet or flyer that could be used to give interested future applicants information about the program and its specific requirements (income requirements, employee limit, etc.).

N. Chiavini, L. Walkuski, and D. Theobald to confirm the program requirements to ensure applicants can fulfill them correctly, specifically regarding what constitutes the 5 FTE limit and if the hiring requirements are 1 FTE or the equivalent of 1 FTE (made up of 2 or more PTEs).
